## PUBLICATIONS

---

- AI and IP Laws | SDM Law College, Mangalore | Book

*Also presented the paper on AI, Metaverse, and the future of blockchain in IP Security - A Legal Analysis. This paper explores the intersection of Intellectual Property Rights (IPR), the Metaverse, and Blockchain technology, highlighting legal challenges and solutions. I examine NFTs, trademarks, and copyright protection in virtual spaces, emphasizing blockchain's role in securing digital assets. I also propose regulatory reforms for India to address emerging IPR and AI-related issues.*
